Dear Sirs:

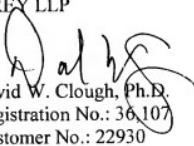

Attorney for Applicants wish to point out a typographical error included in the Amendment and Reply Under 37 C.F.R. § 1.111 filed on December 22, 2006. The first paragraph indicates that it is a response to a "Final Office Action mailed July 5, 2006." Attorney for Applicants wish to correct that statement to note that the Amendment and Reply Under 37 C.F.R. § 1.111 was submitted in response to a "Non-Final Office Action mailed by the U.S. Patent & Trademark Office on July 5, 2006."

Attorney for Applicants regret the submission of the inadvertent errors, and respectfully submit that the instant application is in good and proper order for allowance and early notification to this effect is solicited. If, in the opinion of the Examiner, a telephone conference would expedite prosecution of the instant application, the Examiner is encouraged to call the undersigned at the number listed below.

Respectfully submitted,

HOWREY LLP
